

Citizenship Language Tests

(From CIC) - <http://www.cic.gc.ca/english/helpcentre/answer.asp?q=571&t=5>

What documents can I use to prove that I meet the citizenship language requirement?

You can send us one of a number of different documents to show that you meet the language requirement. For example:

- the results of a [CIC-approved third-party test](#), or
- evidence of [completion of secondary or post-secondary education](#) in English or French, in Canada or abroad, or
- evidence from certain [government-funded language training](#) programs.

These documents will show you have reach Level 4 or higher in the Canadian Language Benchmarks (CLB) / Niveaux de compétence linguistique canadien (NCLC) or **speaking** and **listening** in English or French. This is the [level you need to apply for citizenship](#).
