

BC DAY

The first Monday of August is BC Day. It is a holiday. On BC Day, most people don't go to work. Post offices, libraries, banks and many businesses are closed. The first BC Day was on August 5, 1974.

During the long weekend, many people go camping, hiking and make short trips out of town. There are also some other celebrations during the BC Day long weekend.

**Answer the questions.**

1. What year was the first BC day?

---

2. What do people do on the long weekend?

---

3. When is BC Day this year?

---

4. What is the capital of BC?

---

What are your plans for the long weekend? Write your plans in the first box.

Ask your classmates about their plans.
